Square Shafts

With the continued popularity of Modular Belted Conveyors we now offer square shafts machined to suit both drive and tail ends.

- Available in 25 mm, 1½ inch and 40 mm.
- Fast turnaround of 2 / 3 day delivery
- Machined to suit any manufacturer of belt
- Available in both 303/304 grade and 316 grade stainless steel.

Please see our web site where you can download a variety of example drawings in Auto CAD format". These are purely as a guide. Please feel free to download and amend the drawing as necessary and forward your enquiry to us by either e-mail or fax.
